

SIMPLE AND EASY

WE WANT TO SPONSOR YOU

Everyone has to do taxes and more than half of all people pay for this service to be performed.

Alliance Accounting is a local CPA practice that has been serving the community for over 20 years. We designed this program to support charitable fundraising activities.

Our program is simple, we ask your participants to consider our service and refer family and friends via a website that sends an email that will then ask them to use our tax preparation service and we give back 20% of the fee to your organization as long as the person is a client. This takes them **less than 5 minutes**. We prepare all the details, costs, how to signup, where to schedule meetings etc. If they already use a tax preparer, then they can compare prices and service and make their own choice.
